## STATE POLITICAL NOTES.

The Eureka Sentinel says: "It is generally understood by his friends in this part of the State that Hon. Thomas Wren, of Eureka, will accept, if tendered him, the Republican nomination for Congress. While it is true that the proprietors of the Sentinel are opposed politically to Mr. Wren, candor compels them to bear testimony to his sterling worth both as a man and a citizen. He enjoys an enviable reputation as a lawyer, has had considerable parliamentary experience, and being thoroughly familiar with the wants of the State, would, if elected, make a first-class Representative in Congress. Geography, and all things else being favorable, we say frankly to the Republicans that they can not do better than to give the nomination to the gentleman from Eureka. We admit that we have no especial right to put in our ear, but inasmuch as Mr. Wren is a respected citizen of the Great East, we have felt justified in saying this much in his behalf."

A meeting of the Democrats of Elko precinct will be held at the Court-house on Monday evening at 8 o'clock, for the purpose of organizing a Democratic club.

The Republican Central Committee of Elko county has appointed the following delegates to the State Convention at Carson on the 24th: Carlin, Thomas Holmes; Ruby Valley, Hon. J. B. Moore; Tuscarora, S. Beard; Mound Valley, E. Hudson; Cornucopia, W. W. Rogers; Elko, J. S. Mayhugh and E. A. Littlefield. The delegation is understood to be for Powning, of Reno, for Congress.

Beam Pixley announces himself as a candidate for the office of County Assessor, subject to the decision of the Ormsby County Republican Convention.

**REMEDY FOR SMALL-POX.**—The following was published in the Virginia Enterprise a year or more ago and may be worth trying: "I herewith append a receipt which has been used to my knowledge in a hundred cases. It will cure or prevent the small-pox, though the pittings are filling. It is as unfailing as fate and conquers in every instance. It is harmless when taken by a well person. It will also cure scarlet fever. Here it is as I have used it and cured my children of scarlet fever. Here it is as I used it to cure small-pox when the learned physician said the patient must die. It cured. Sulphate of zinc, one grain; foxglove (digitalis) one grain; half a teaspoonful of sugar; mix with two tablespoonfuls of water; when thoroughly mixed add four ounces of water. Take a spoonful every hour. Either disappears in twelve hours. For a child, smaller doses, according to age." We used the above receipt in a case of small-pox at Eureka three years ago, and are fully convinced that it brought us through the disease quickly and safely, for we used no other medicine."

NATIONAL REPUBLICAN TICKET.  
For President:  
RUTHERFORD B. HAYES,  
OF OHIO.  
For Vice President:  
WILLIAM A. WHEELER,  
OF NEW YORK.

THOSE LETTERS.  
The letters of acceptance which Tilden and Hendricks have been so long concocting have at last made their appearance. They are much better than we expected, but still do not take the same advanced stand which Hayes and Wheeler have marked out. A comparison of the letters will result in benefit to the Republican candidates.

LITERARY GOSPEL.  
George Eliot's "Daniel Deronda" has sold to the extent of 40,000 copies in England.

Scribner's Magazine has an average circulation of sixty five thousand copies monthly. Harper's Magazine has one hundred and thirty thousand.

The biography of Ann Eliza Young, the nineteenth wife of the President of Mormonism, is being translated into Dutch.

"Travels in Italy," from the pen of Prince Leopold, the youngest of Queen Victoria's sons, will shortly be published in London.

"The Dutch in the Arctic Seas," by S. R. Van Campen, is about to appear from the London press of Trubner & Co.

Miss Blanche Willis Howard, the Maine girl who wrote "One Summer," was the poet of the day at the Stuttgart Fourth of July celebration. J. B. Lippincott & Co., of Philadelphia, have issued a diamond edition of "Pickwick," at thirty five cents, complete, which is a miracle of cheapness. The other Dickens novels will follow.

William Black, the novelist, who is about to visit this country, is a Scotchman by birth, but is engaged as a London journalist. It has been said that, his young wife dying, he turned to novel writing for relief, and achieved greater success than he hoped for.

Clara Bauer, a German novelist who wrote under the name of "Karl Detleff," and whose stories of Russian life were much admired by her readers, died at Breslau, in Prussia, on the 29th of June.

There is just ready in London "The Land of the White Bear," an account of the cruise of the Pandora to Franklin Straits during the Summer of 1875, by Lieut. F. G. Innes-Lillingston, R. N., with full page illustrations from sketches by the author, and a map of the Arctic regions.

Victor Hugo must have made a fine fortune by his writings. It is stated that he has, among other investments, eight hundred shares in the National Bank of Belgium, which are worth 2,850 francs per share; so that here he have a sum of over £83,000 to start with, and it is understood that he has other property.

Mrs. Craik, the author of "John Halifax, Gentleman," has erected near her residence in Kent, England, a drinking fountain, near which is to be kept a constant supply of penny loaves, while a box has been prepared in which those disposed may deposit pence for keeping up the supply of bread.

THE JARRETT & PALMER OVERLAND RIDE. The Illustrated London News of date July 15th contains a double series of drawings, portraying incidents on the eighty-four hours' ride from New York to San Francisco of the "Henry V." company. Mr. Prior, the artist, was one of the tourists. He has singled out for illustration those incidents which would be of special interest for England, and the sketches he presents are well executed and admirable in salient character. The letter-press accompanying is somewhat meagre, and for quotation is trivial. The trip is described as wonderful, considering the length of the journey; but the speed is pooh-poohed as an every-day affair for a first-class railroad in England.

THE Eureka Republican Central Committee met at the office of Hon. Thos. Wren on Tuesday, August 1st, pursuant to call, and transacted the following business:

It was agreed that the Republican County Convention be called to convene August 19th, for the purpose of electing delegates to the State Convention, and also for nominating a legislative ticket for Eureka county.

It was resolved that the Republican primary election for the purpose of selecting delegates to the County Convention to be held August 15, 1878.

The number of delegates to the County Convention was fixed at 75.

EASTERN DISPATCHES.

The Sioux War.  
WASHINGTON, August 4.  
The following was received to-day from Chicago:  
GENERAL SHERMAN:—General Terry informs me, under date of July 26, that he is now in full communication with General Crook, and will move from his present camp at the mouth of the Big Horn to Rosebud Creek, starting July 27, and proceed up the latter stream to form a junction with Crook, if necessary. Terry's command will enter at the mouth of the Rosebud. Terry does not give any news of importance. I should hear from Crook to-day or to-morrow. Forsyth, who was sent to see Terry, should be back in Bismarck in a day or two. Colonel McKenzie with his command will not get to Cheyenne until next Thursday.

P. H. SHRENDAN.  
News comes, via Red Cloud Agency, of the arrival of an Indian from the hostile camp, who says Sitting Bull is fully prepared and eager to meet Crook or Terry, or both combined, and feels confident of his ability to whip them. He further states that reinforcements are joining the hostiles daily from the north and British America and a few from Minnesota.

CHEYENNE, August 5.  
Two hay-cutters were attacked by Indians on the 2d instant at Running Water, forty miles northeast of Fort Laramie, one of whom was killed. The other succeeded in escaping. The band of Indians that attacked Reed's train between Fort Laramie and Fetterman, is one of the number believed to be in that vicinity. Captain Engard's command is now scouting in the neighborhood.

WESTERN DISPATCHES.

Suicide in Oakland of a Man Ruined by Stocks—Smallpox.  
SAN FRANCISCO, August 5.

The Board of Health at a special meeting last night passed an order providing that at funerals of persons who have died from Smallpox, none but relatives, shall be permitted to enter the house or accompany the body to the cemetery. A well known physician who had considerable experience with smallpox matters during the epidemic of 1868, and who, this year has been called upon to examine a great many Chinese cases, states that a majority of the Chinese who have been down with that disease in this city, are from interior towns, having been sent here for treatment.

The man who shot himself in Oakland Monday has been identified as Joseph Fralish, a native of Prussia, formerly a merchant of this city, invested heavily in stocks, and his losses were very large. He was known to be in a bad condition financially, and several friends offered to assist him; but being a man very proud, and independent, he positively refused to accept help. It is presumed that he did not want any one to recognize him after death because before attempting the deed he changed attire completely, even changing his boots, and then went to Oakland, where he had no acquaintances and blew his brains out.

IN DANGER.

Reno is in danger of losing a portion of her northern trade. The Truckeeites are talking of building a railroad from that place to Sierra Valley and still further north to tap the magnificent belt of timber which is almost inexhaustible on the eastern slope of the Sierras. The Republic gives the annexed information concerning it:

Already a preliminary survey has been made by Mr. Geo. H. Colby, a very competent engineer, from Truckee as far as the Banner Mill, fourteen miles out. As we understand it is proposed to build a Pyramid Road—a single rail. Such a road can be built for about \$3,500 per mile, and would be capable of transporting as much freight as a narrow gauge. It will require but little grading as it can be built and worked on the undulations of the country. Our citizens should take a great interest in this enterprise for if built it would vastly increase the business prospects of Truckee. In the course of time the mountains in our vicinity will be denuded of the most valuable and most needed timber required in Nevada and California, and the immense bodies growing north of us will have to be brought into requisition. It will require a railroad to bring it to this market for manufacture and transportation to the different points where most needed; hence the great necessity of the road. If built Truckee will become the great lumber market of the State. We are satisfied from the character of the gentlemen who contemplate the enterprise that it will be built at no distant day. It is a necessity, and would undoubtedly prove a paying investment. Whoever has traveled north from Truckee as far as the Lassen Butte will know there is no finer body of timber on the continent than there is on this route. We must connect with it, and Truckee must be the outlet.

We admire the energy of those people, but assure them that Reno is the natural outlet for all this northern country, and will maintain her position even if compelled to build a broad gauge railroad to that section.

**COMMITTEE MEETING.**—The Republican County Central Committee met yesterday afternoon at 2 o'clock in the Court House as pursuant to adjournment. Present, T. K. Hymers, Wm. Thompson, T. G. Herman, R. H. Kinney, Wm. Duck (B. F. Leete, proxy), J. P. Foulks, (M. J. Smith, proxy), C. H. Eastman, (T. K. Hymers, proxy). The following resolutions were adopted:

Resolved, That we proceed to elect by ballot six delegates to the Republican State Convention, to be held at Carson August 24, 1876.

Resolved, That each member be allowed to vote a ballot containing the names of six persons, and that the six receiving the highest number of votes over a majority be declared elected.

The following six gentlemen receiving the highest number of votes were duly elected: W. M. Boardman, P. Marker, S. A. Hamlin, Peleg Brown, S. M. Jamison, T. G. Herman. On motion the Committee adjourned to meet at the Court Room at 2 o'clock P. M. on the 1st of September.

**PUBLIC INSTALLATION.**—The officers of Haswell Lodge, No. 18, I. O. G. T. elected for the ensuing term, were publicly installed last Friday evening by Lodge Deputy S. E. Welch, as follows: W. T. C., John F. Atken; W. R. H. S., Mrs. S. V. Clark; W. L. H. S., Miss Sarah Webster; W. V. T., Miss Lizzie Leake; W. S. S., Miss Lora Cross; W. F. S., Milton Theodore Benham; W. Treas., Miss Julia Moe; W. M., Miss Jessie Frazier; W. Chap., Rev. W. J. Clark; W. I. G., Miss Sophia Benham; W. O. G., T. F. Laycock; P. W. C. T., Miss Eva Barnes. Quite a large audience assembled to witness the installation ceremonies which were, as usual, pleasant and interesting. We are pleased to learn that the Order here is flourishing. Its mission is a noble one, and well may its votaries take pleasure in carrying them out.

**ABOUT OUR TOWN.**—We do wish our citizens could be made to fully comprehend with what a small expenditure of time and money this town could be made the most beautiful and attractive in the State. The site is one which renders but little labor necessary to beautify it—Nature requires but very little assistance indeed in the matter. We do not recall a town in the State possessing the same natural advantages.

Rev. A. N. Fisher and wife, who have been traveling in Europe for the past eighteen months, arrived in New York last week on their return to their State, in which his pastoral cares are situated. He will be here in time to attend the annual session of the Methodist Conference in September. Reno would be glad to welcome him as the Methodist pastor next year.

**THAT WALK.**—Mr. Farrell, one of the contestants in the coming walking match, informs us that he means business and is willing to wager \$100 that he will not only beat Prof. Allen, but that he walks the entire distance of fifteen miles inside of two hours and thirty minutes.

**HOME.**—Postmaster Jamison returned home last night. His friends will rush around to the postoffice today and shake his paw. The old coon looks as if he enjoyed his trip.

**GO ON STARTER.**—It looks as though the Episcopal Seminary will have a good number in attendance at the start. Twenty boarders are already engaged. So the Bishop informs us.

**FOR TABOR.**—Rev. Wm. Lucas leaves for Lake Tahoe to-morrow and will remain away a couple of weeks. We hope he will find needed relief and return in the best of health.

## Religious Services.

**DIVINE** services will be held in the M. E. Church to-day, at 11 A. M. and at 7 P. M., also Sabbath school at 2 P. M. Rev. G. W. Fitch, Pastor.

At the Episcopal Church there will be divine service at 11 A. M. and 7 1/2 P. M. to-day Rev. Mr. Lucas officiating. Sunday school immediately after morning service. All are cordially invited to attend.

**BAPTIST** services will be held at the Baptist Church this Sabbath morning and evening at 11 A. M. and 7:30 P. M., Rev. C. L. Fisher pastor.

Rev. W. J. CLARK will preach at the Congregational Church, at 11 o'clock this morning, and in the evening at 7 1/2 o'clock. The Sunday School meets immediately after morning service. All are invited.

**A BEAR AFTER THEM.**—The Pioneer Society of Nevada has issued a circular calling on all who are indebted for dues to pungle up. A splendid hall has been erected on B street, Virginia City, under great difficulties and coin must be raised to pay the expenses of that building. The circular concludes as follows: "The following gentlemen have been chosen as committees to collect moneys due the Society in various localities, also to solicit Life Memberships, with full authority to receipt for the same: Virginia City—Will Thomas, Justice Knox, W. W. Tucker; Gold Hill—W. D. C. Gibson, Alf. Doten; Carson City—S. T. Swift; Silver City—Wm. Atkinson; Reno—S. F. Hoole; Eureka—D. H. Hall; Unionville—Pablo Laveaga. Remittances by money order through the Virginia City Post Office, or by Express, will also be promptly receipted for and the money placed to the credit of the Pioneer Building Fund."

**THE PICNIC YESTERDAY.**—The third annual picnic and excursion of the Pacific Coast Pioneers yesterday at Treadway's Ranch, Carson, was a complete success in every respect. Nearly 2,500 people were on the grounds. Virginia contributed seventeen car loads, Gold Hill eleven, and Reno four. The Carson people turned out *en masse*. Dancing commenced at half past 11 o'clock, and the large pavilion enabled 200 couples on the floor at one time. The National Guard was present, and engaged in a shooting tournament. Base ball and other amusements were also indulged in. The Renosites are delighted with the fine time they had.

The members of the Official Board of the Odd Fellows' Protective Association are hereby notified that the regular monthly meeting will be held at the hall of Reno Lodge, No. 19, I. O. O. F., on Monday 7th inst., at 8 o'clock P. M. Business of the utmost importance will be transacted and it is to be hoped that all will be present.

**WEAK.**—The stock market closes weak for the first week in the month. The excitement in the early part of the week culminated about the middle, and the close saw a marked decline. And still the Comstock looks well, they say.

**MCGINLEY.**—The McGinley troupe are still performing out in Eastern Nevada. At the mining camp of Tybo they played for eleven consecutive nights. We don't know who got the worst of it.

**PENMANSHIP.**—The third term of Prof. Buck's Writing Academy will begin on Monday, August 7th. No extra charge for attending day and evening. Buck is a good teacher and deserves success.

The Washoe county delegates to the Republican State Convention will use all honorable means to secure the nomination of Mr. Powning, as Congressman.

**FIRE.**—A defective stovepipe caused a fire in Mr. O'Hara's house on North Virginia street, both yesterday and day before yesterday mornings. It was discovered in time.

The Bowers Mansion will not be opened for the reception of guests during the present season. Mrs. Bowers still resides at the Mansion.

The Board of Commissioners hold their regular monthly meeting to-morrow.

The Democrats held a mass meeting in Carson last evening.

The Democratic Co. Central Committee have a meeting to-morrow.

Hon. BENJAMIN HARRISON of Indianapolis has been unanimously nominated by the Republican State Central Committee for Governor of Indiana, vice Orth, but has not yet accepted.

SEVEN thousand and five hundred citizens of Lowell District, Mass., asked General Butler, in a letter, to run for Congress. He will probably comply.

**FOR SALE.**—A large fine pair of blood mares, and a 3 1/2 inch axle wagon. Apply the Stephen Conner, at the nursery.

**GREY & ISAACS**, the rulers and regulators of prices of the dry goods trade in Reno, are doing an immense business in their new store on Virginia street, next door to Beck & Co., and opposite their old stand. This wide-awake young firm has revolutionized the dry goods trade in Reno, and intend maintaining their great popularity, if low prices and fair dealings will accomplish it. They have extraordinary facilities for purchasing goods, and are daily in receipt of the latest novelties known to the European and American trade. Ladies will save money by patronizing this energetic young house, for not only have they convinced the entire population of Reno that they have sold goods lower than the same could be bought in San Francisco, but are determined to still continue to run in the same channel. Notwithstanding the enormous advance in the price of Calico, they still continue to sell 16 yards for \$1. Special reduction in black silks and carpets. Ladies just step into the "Centennial" and feast your eyes on the magnificent stock of goods, as your true friends, Grey & Isaacs, will always be pleased to show you their complete assortment of goods, whether you want to buy or not.

**WESTERN STAR SALOON.**—B. Pendola, the proprietor of this saloon which is situated on the west side of Center street, keeps constantly on hand the choicest beverages of all kinds and the best brands of cigars. Among his choice drinks are Pendola's favorite, pineapple, cabinet, Pendola's punches and the renowned ambrosial cocktails, all of which are daily dispensed at the Western Star. Every attention is paid to patrons. Order and civility is the rule at this saloon.

The Flying Gallery will return to Reno during the State Fair. Wait and get good pictures cheap.

**DON'T READ THIS!**—If you do you will find that you can buy building lots better and in higher state of cultivation than any found in Reno, by calling on Stephen Conner, at the Nursery.

**FIRE INSURANCE.**—Parties desiring insurance against loss by fire will find it to their advantage to call upon J. K. Everett, at Lacombe's store, corner Second and Sierra streets, Reno, Nev. Policies obtained at low rates in the following first-class companies: Home Mutual of California; Faneuil Hall of Boston, and Mississippi Valley of Tennessee.

INDICTMENT—"We charge the Democratic party with being the same in character and spirit as when it sympathized with treason; with making its control of the House of Representatives the triumph and the opportunity of the nation's recent foes; with re-asserting and applauding at the National Capitol the sentiments of unrepentant rebellion; with sending Union soldiers to the wall and promoting Confederate soldiers to the front; with deliberately proposing to repudiate the plighted faith of the Government; with being equally false and imbecile in overshadowing the ends of justice by its partisan mismanagement and obstruction of investigation; with proving itself through the period of its ascendancy in the Lower House of Congress, utterly incompetent to administer the Government, and we warn the country against trusting a party thus alike unworthy, recreant and incapable."

PUBLIC SCHOOLS—"The Public School System of the several States is the bulwark of the American Republic, and with a view to its security and permanence, we recommend an amendment to the Constitution of the United States forbidding the appropriation of any public fund or property for the benefit of any school or institution under sectarian control."

"HARD MONEY" PLANK—"In the first Act of Congress signed by President Grant, the National Government assumed to remove any doubt as to its purpose to discharge all its just obligations to public creditors, and solemnly pledged its faith to make provision, at the earliest practicable period, for the resumption of United States notes in coin. Commercial prosperity, public morals and national credit demand that the promise be fulfilled by a continuous and steady progress toward specie payment."

POLYGAMY—"The Constitution confers upon Congress sovereign power over the Territories of the United States, for their government, and in the exercise of this power it is the right and duty of Congress to prohibit and extirpate in the Territories that relic of barbarism, polygamy; and we demand such legislation as shall secure this end and the supremacy of American institutions in all the Territories."

THE CHINA PLANK—"It is the immediate duty of Congress to fully investigate the effect of the immigration and importation of Mongolians upon the moral and material interests of the country."

HAS RETURNED!

DR. SPINNEY & CO.

Would most respectfully announce to the effect that they have reopened a Branch Office

Cor. Union and C Streets, (Opp. International Hotel).

VIRGINIA CITY, NEVADA.

Where they still continue to treat Chronic and Private Diseases with unparalleled success.

LADIES AND GENTLEMEN

Remember, that prostration is the thief of time. If you are ill, COME AND BE HEALED!

IT MATTERS NOT what your troubles may be, come and let the doctors examine your case. It will cost you nothing but your time, and please call and satisfy yourselves whether they understand your case. If curable they will tell you; if not, they will tell you that, for they will not undertake a case unless confident of effecting a cure.

YOUNG MEN!

Why may be suffering from the effects of youthful follies or indiscretions will do well to avail themselves of this, the greatest boon ever laid at the altar of suffering humanity. Drs. S. & CO. will guarantee to furnish three leaders of dollars for every case of seminal weakness or private diseases of any kind or character which they undertake and fail to cure. They would therefore say to the student in a summer the patient cannot afford to neglect the last. If you are suffering on the last, and are suffering from the effects of youthful follies, the time must come when the most skillful physician will be unable to assist you, when the door of hope will be closed against you; when no angel of mercy can bring you relief. In no case have they failed of success. Then let not the student neglect his health, but let him avail himself of the beneficial results of their treatment before your case is beyond the reach of medical skill, or before grim death hurls you to a premature grave.

MIDDLE-AGED MEN!

There are many of the age of thirty to sixty who are troubled with too frequent evacuations of the bladder, often accompanied by a slight smarting or burning sensation, and a weakening of the system in a manner the patient cannot account for. On examining the urinary deposits aropy sediment will often be found, and sometimes small particles of albumen will appear; or the color will be of a thin and milky hue, and are many men who die of this disease, ignorant of the cause, which is the second stage of seminal weakness. Drs. S. & CO. will guarantee a perfect cure in all such cases, and a healthy restoration of the genital urinary organs. DR. SPINNEY is well known as founder of the Medical (C. E.) Medical Institute, and late proprietor of the Spinnery Veterinary.

DR. U. J. SPINNEY

Now associated with Dr. Spinnery, is a regular graduate of Harvard College and having had a large experience in hospital and special practice, is now located at the new and modern Medical Institute, in America for the treatment of Chronic and Special Diseases.
